

Abstract Information

Pharmacy residents are required to submit abstracts for presentation. All residents must view the slides on ACPE guidelines and complete a brief post-test PRIOR to submitting abstracts.

The body of the abstract should be organized as follows:

1. Statement of purpose
2. Statement of methods used
3. Summary of (preliminary) results to support conclusion
4. Conclusions Reached

The submission must also include:

- Two learning objectives (see tips on writing objectives)
- Two self-assessment/post-test questions with answers.
- Topic designation
 1. Disease State/Drug Therapy
 2. AIDS Therapy
 3. Law
 4. General Pharmacy
 5. Patient Safety
 6. Immunizations
 7. Compounding
 8. Pain Management

Residents presenting an abstract must submit a curriculum vitae (CV) with their abstract.

Abstracts must be submitted no later than February 1 at 11:59:59 PM

Tips for Writing Objectives

Objectives must be specific and measurable, developed to specifically address the identified educational need, addressed by an active learning activity (case study, Q & A, etc.) during the presentation, and covered by a learning assessment/ post-test.

Please use one or more of the following verbs when writing your objectives for your presentation: (Use ONLY these verbs)

Arrange	Define	Discuss	Explain	Identify
Label	Locate	Name	Outline	Recognize
Repeat	Reproduce	Review	State	Indicate
Classify	Describe	Duplicate	Express	Relate
List	Memorize	Order	Recall	
Report	Restate	Select	Translate	

Abstract Submission Instructions

Complete mailing address, phone, and email are required

Conflict of interest statement will be completed during the abstract submission process for both the resident and their primary project preceptor.

Short specific titles are desirable. Do NOT use all caps.

Authors should be listed with the FIRST NAME FIRST, MIDDLE INITIAL, AND THE LAST NAME LAST; list title and degrees. Place an asterisk by the presenter's name.

No tables, graphs, or multiple column text may be included in the abstract.

Do not indent or justify paragraphs. Do not use carriage returns except between paragraphs (i.e. leave all line wrap decisions to the word processing program). Do not manually hyphenate words at the end of lines (unless the word is always hyphenated).

Check spelling and punctuation carefully. Abstracts will be displayed exactly as submitted.

Total word count for the body of the abstract is 300 words. This does NOT include title, authors, learning objectives, or self-assessment/ post-test questions.

For a successful submission of an abstract, it is recommended that you prepare your abstract in a word processing document, have your preceptors review it, and then cut and paste into the online submission form.

Disclosure and eliminating bias. Your presentation should be free of any remarks that would show bias. You must place the disclosure information on your first slide. If you have no information to disclose you must specifically state that as well.

For example, you may use "The speaker has no actual or potential conflict of interest in relation to this presentation."

Please note any speakers WITH a conflict of interest to disclose must submit slides by March 27 for peer review. Speakers WITHOUT a conflict of interest slides will be due by April 10.

You will receive a confirmation NUMBER after a successful submission. No confirmation EMAILS are sent.

Failure to comply with abstraction requirements may result in an abstract being rejected.

*Remember that conference registration must also be submitted separately.
